

# Nordic Blu Salmon

*now available across the country*

Nordic Blu Salmon is here — the world’s first and only marine net-pen farmed Atlantic salmon rated “Green — Best Choice” by the Monterey Bay Aquarium Seafood Watch® program.

With a score of 7.17, Nordic Blu is the highest rated farmed Atlantic salmon in the world. All sites and farms are ASC and Global G.A.P. certified.

Raised in Norway. Brought to North America exclusively by CleanFish.

Retailers and chefs who want to offer Nordic Blu Salmon, ask your local distributor, or contact CleanFish for assistance: 415-626-3500, info@cleanfish.com
